# Partnering for *Success*

**Cherokee Nation Foundation is *dedicated* to helping Cherokee youth reach their *full potential*.**

Many students interested in pursuing higher education often feel overwhelmed by the entrance exams, admissions processes or navigating the various aspects of financial aid and scholarships.

By offering immersive camps designed to increase student confidence and best prepare them for their future, CNF is truly partnering with students on their academic journey.

Each camp offers a unique focus while providing students with the opportunity to live on campus and explore what college life is really like. Both camps are held at Northeastern State University in Tahlequah and are offered at no cost to eligible Cherokee Nation citizens. All food, lodging, materials and textbooks are included.

**ACT Prep Camp**  
June 5 — 8

Break down the barriers to your top score with 16 hours of intensive ACT prep instruction throughout the week.
